<Dear salutation>

A change that affects your policy provider

The attached letter has been sent to all ReAssure policyholders to explain the proposed transfer of business from Legal & General into ReAssure.

Why have you written to me?

Because you have a Hannover Re policy, or an interest in a Hannover Re policy. Although this policy is branded Hannover Re, and administered by them, it's actually provided by ReAssure. This relationship will not be affected by the proposed transfer.

In 2015 this policy transferred from HSBC to ReAssure and you received a letter at the time to explain this.

Who is ReAssure?

ReAssure is a life and pensions company which buys and administers closed books of business from other companies. Read more at www.reassure.co.uk/about-us.

What do I need to do?

You should read the attached letter, and supporting documents at www.reassure.co.uk/LGAS-transfer.

If you're happy with the proposed transfer you don't need to do anything. If you have any comments, questions, objections or concerns about the proposed transfer you should get in touch with ReAssure using the contact details in the attached letter.

If you have a query that isn't related to the proposed transfer, you should contact Hannover Re using the usual contact details. Please do not contact Hannover Re about the proposed transfer.

<Yours sincerely>
