ReAssure

# Welcome to ReAssure You're in good hands

////////////////////////////////////

**The ReAssure group looks after over 2 million policies for our customers, with total investments of around £41 billion – making us the sixth largest life and pensions group in the UK.**

We're experts in taking policies from other companies and introducing them to our leading service and proposition.

Since we began over 50 years ago we've taken on policies from several companies, including Barclays, HSBC and Guardian.

As well as this scale and experience, we've been awarded an A+ (Strong) rating by leading ratings agency Fitch who noted,

*"...ReAssure's rating reflects the insurer's strong business profile and profitability and very strong capital position."*

A team of approximately 300 people have transferred to ReAssure Life Limited and will be fully dedicated to continuing excellent service for Old Mutual Wealth Life Assurance customers and their Advisers. It's the same experienced people, using the same systems and based in the same office location in Southampton.

“ ReAssure is an excellent home for Old Mutual Wealth Life Assurance as it's a well-established, highly regarded company that is committed to delivering excellent customer outcomes and has values similar to our own. ”
